Grand Total	38,680	39,564	39,534	40,166	41,924

Notes:

Prior to 2010, counts are based on what individuals considered their primary race/ethnicity. Beginning in Fall 2010, students no longer identify their primary race/ethnicity and are counted in each race category they indicated was applicable. The subtotal and total counts are unduplicated counts and beginning in 2010 the detail may add to more than the total. Enrollment excludes Visiting Scholars and Post-Graduate Medicine students.
